Lynn - Ladies and Gentlemen, We are here again, and from merriment we shall not abstain. We have come to sing and charm you through our show. Enjoy you will, that much I know. As much as I'd love to stay and chat, the children are ready for our first act. So, sit back and enjoy our celebration today. When I say show, it's more of a cabaret!

There is trouble afoot, all is not well. One half of the children were doing so well, but the other is naughty and starting to smell. I wonder which is which, I'll let you decide - But Boys beware, you might want to hide!

Girls Just Want To Have Fun

I come home in the morning light
My mother says when you gonna live your life right?
Oh mother dear we're not the fortunate ones
Oh girls just want to have fun
Oh girls just want to have fun

The phone rings in the middle of the night
My father yells what you gonna do with your life
Oh daddy dear you know you're still number one
But girls they want to have fun
Oh girls just want to have--

That's all they really want
Some fun
When the working day is done
Oh girls they want to have fun
Oh girls just want to have fun
Girls wa nna have fun.
Girls wa nna have fun.
Girls wa nna have fun.
Girls wa nna have

Some boys take a beautiful girl
And hide her away from the rest of the world
I want to be the one to walk in the sun

Oh girls they want to have fun
Oh girls just want to have

That's all they really want
Some fun
When the working day is done
Oh girls they want to have fun
Oh girls just want to have fun,
Girls wa nna have fun.
Girls wa nna have fun.
Girls wa nna have fun
Girls wa nna have
They just wa nna, they just wa nna
They just wa nna, they just wa nna
They just wa nna, they just wa nna
They just wa nna, they just wa nna
They just wa nna, they just wa nna
They just wa nna, they just wa nna
They just wa nna, they just wa nna
They just wa nna
Girls just wa nna have fun.

Well we all had fun, although I must confess, I've always thought all kids were the best.(Oh no you haven't)! - Oh yes I have.

(Oh no you haven't) Oh Yes I have! (Oh no you haven't)

Oh yes... ok, you've convinced me.

Now, I smell something funny, and furry and yet bland? Is it my nose, or is it the band? Oh come along children, let's try to have fun. Oh, that can't be the band, it really is rum!

The Teddy Bears Picnic [Shake]

If you go down to the woods to day you're sure of a big surprise. If you go down to the woods to day you'd better go in disguise!
For ev'ry bear that ever there was will gather there for certain because to day's the day the Teddy bears have their picnic.

If you go down to the woods to day you'd better not go a lone!
It's lovely down in the woods to day but safer to stay at home.
For ev'ry bear that ever there was will gather there for certain because to day's the day the Teddy bears have their picnic.

Picnic time for teddy bears.
The little teddy bears are having a lovely time today.
Watch them, catch them unawares
and see them picnic on their holiday.
See them jump and run about they love to play and shout.
They never have any care.
At six o' clock their mummy's and Daddy's will take them home to bed
because they're tired little teddy bears.

If you go down to the woods to day you're sure of a big surprise. If you go down to the woods to day you'd better go in disguise!
For ev'ry bear that ever there was will gather there for certain because today's the day the Teddy bears have their picnic.

What happened to our friends? It seems like we are disappearing one-by-one !!

Another One Bites The Dust

Another one bites the dust
Another one bites the dust
And another one gone
And another one gone
Another one bites the dust
Hey! I'm gonna get you too
Another one bites the dust.

Do you get that feeling there is someone out there? Like we're being watched, and they don't even care! **(They're behind you)** what? Don't be silly, there is no one out there. **(They're behind you)**. No they're not. It gives me the creeps. All of those eyes, and I bet some are asleep!

Every Breath You Take

Every breath you take and every move you make
Every bond you break
Every step you take, I'll be watching you
Every single day and every word you say
Every game you play
Every night you stay, I'll be watching you
Oh can't you see you belong to me?
How my poor heart aches with every step you take
Every move you make and every vow you break
Every smile you fake
Every claim you stake, I'll be watching you
[Instrumental]
Oh can't you see you belong to me?
How my poor heart breaks with every step you take
Every move you make
And every vow you break
Every smile you fake
Every claim you stake,
I'll be watching you
Every single day and every word you say
Every game you play
Every time you stay
I'll be watching you
Every move you make
Every step you take
I'll be watching you
every move you make
Every step you take,
I'll be watching you

**We are defiantly being watched, I know it I can smell them.
Well, we are not scared and we are just gonna tell them!**

Who's Afraid of The Big Bad Wolf

Who's afraid of the big bad wolf
Big bad wolf, big bad wolf
Who's afraid of the big bad wolf
Tra la la la la

Who's afraid of the big bad wolf
Big bad wolf, big bad wolf
Who's afraid of the big bad wolf
Tra la la la la

Long ago there were three pigs
Little handsome piggy wigs
For the big, bad the very big, very bad wolf
They did not give three figs

Number one he liked to play
And he built his house with hay
With a noisy toot he played on his flute
And he messed around all day

Now number two was fond of jigs
So he built his house with twigs
Hey, diddle diddle he played on his fiddle
And danced with lady pigs

Number three said, "Nix on tricks
I will build my house with bricks"
He had no chance to sing and dance
'Cause work and play don't mix!

Who's afraid of the big bad wolf
Big bad wolf, big bad wolf

Who's afraid of the big bad wolf
Tra la la la la

Who's afraid of the big bad wolf
Big bad wolf, big bad wolf
Who's afraid of the big bad wolf
Tra la la la la

Came the day when fate did frown
And a wolf blew into town
With a gruff puff puff, he puffed just enough
And the hay house fell right down

One and two were scared to death
Of the big bad wolfies breath
By the hair of your chinny chin I'll blow you in
And the twig house answered yes

No one left but number three
To save the piglet family
When they knocked, he fast unlocked
And said come in with me

Now they all were safe inside
and the bricks hurt wolfies pride
So, he slid down the chimney and oh, by Jiminey
In a fire he was fried

Who's afraid of the big bad wolf
Big bad wolf, big bad wolf
Who's afraid of the big bad wolf
Tra la la la la

Who's afraid of the big bad wolf
Big bad wolf, big bad wolf
Who's afraid of the big bad wolf
Ha Ha Ha Not Me!

Another One Bites The Dust

Another one bites the dust
Another one bites the dust
And another one gone
And another one gone
Another one bites the dust
Hey! I'm gonna get you too
Another one bites the dust.

It's happened again, that smell and feeling. Don't they know with whom they are dealing?!

This is Me

I am not a stranger to the dark
Hide away, they say
'Cause we don't want your broken parts
I've learned to be ashamed of all my scars
Run away, they say
No one'll love you as you are

But I won't let them break me down to dust
I know that there's a place for us
For we are glorious

When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown them out
I am brave, I am bruised
I am who I'm meant to be, this is me
Look out 'cause here I come
And I'm marching on to the beat I drum
I'm not scared to be seen
I make no apologies, this is me

Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh oh, oh

Another round of bullets hits my skin
Well, fire away 'cause today, I won't let the shame sink in
We are bursting through the barricades and
Reaching for the sun we are warriors
and that's what we've become

I won't let them break me down to dust
I know that there's a place for us
For we are glorious

When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown them out
I am brave, I am bruised
I am who I'm meant to be, this is me
Look out 'cause here I come
And I'm marching on to the beat I drum
I'm not scared to be seen
I make no apologies, this is me

Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh

When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown them out
This is brave, this is proof
This is who I'm meant to be, this is me

Look out 'cause here I come
And I'm marching on to the beat I drum
I'm not scared to be seen
I make no apologies, this is me
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh This is me!

Yes that's much better, we have shown them. After all we are the 'creme de la creme!' We have seen them off and they won't come back. If they do...we can give um a great big whack! [show fists]

We Will Rock You

Buddy you're a boy make a big noise
Playin' in the street gonna be a big man some day
You got mud on your face
You big disgrace
Kickin' your can all over the place
Singin'
We will we will rock you
We will we will rock you

Buddy you're a young man hard man
Shoutin' in the street gonna take on the world some day
You got mud on yo' face

It's Party time you can all join in, if you don't know the words, just sit there and grin. Thank you for coming - you know your way out. (I'll speak to you later and sort it all out).

Thanks to the kids, the band and the crew. We'd better get on, as there is a show no.2!

Hi Ho Silver Lining

You're everywhere and nowhere, baby,
That's where you're at,
Rolling down a bumpy hillside,
In your hippy hat.
Flying out across the country
And getting fat
Saying everything is groovy
When your tyres are flat

And it's hi ho silver lining
And away you go now baby
I see the sun is shining
But I won't make a fuss
Though it's obvious.
Your flies are in your pea soup baby,
They're waving at me
Anything you want is yours now
Only nothing's for free.
Lies are gonna get you some day
Just wait and see.
So put up your beach umbrella
While you're watching TV.

And it's hi ho silver lining
And away you go now baby
I see the sun is shining
But I wont make a fuss
Though it's obvious.

And it's hi ho silver lining
And away you go now baby
I see the sun is shining
But I wont make a fuss
Though it's obvious
Though it's obvious
Though it's obvious
Though it's obvious.
