## *Policy for Remissions for*

### *Instrumental lessons*

Arts Council England funding for the academic year 2020-21 has enabled Swindon Music Service to extend its Remissions Policy for a further year. This includes pupils attending instrumental lessons in Swindon schools and at Swindon Young Musicians.

If a school is buying a block of time to assist with instrumental/vocal tuition through the Service Level Agreement (SLA) process, schools will not be able to access the Remission Grant directly and will need to use their Pupil Premium funding to assist with pupils' lessons. However, all pupils receiving tuition through the SLA approach will receive a free loan of a musical instrument for the duration of the buy-in period.

Continued remission fees being granted is dependent on regular attendance at lessons.

Swindon Music Service is unable to guarantee remissions for all pupils in need as there is a limited budget available for the academic year 2020/21. Therefore, please get parents to complete the application promptly.

Pupils must attend lessons with a Swindon Music Service tutor during the school day. This can be either an individual or group lesson depending on the needs of the pupil. All applications must be received by Swindon Music Service Music and fees paid before lessons can start.
