

# THE GRASSHOPPER SONG

- 1 Grasshoppers jump so high,  
Grasshoppers jump so high,  
Ears on their bellies and catapult legs  
Flinging them into the sky.  
They jump, jump, jump ever so high!
  
- 2 Grasshoppers sing so loud,  
Grasshoppers sing so loud,  
Rubbing their legs on the back of their wings  
Makes a peculiar sound.  
They sing, sing, sing ever so loud!
  
- 3 Grasshoppers jump so high,  
Grasshoppers jump so high,  
Ears on their bellies and catapult legs  
Flinging them into the sky.  
They jump, jump, jump,  
Jump, jump, jump,  
Jump, jump, jump ever so high!
