

IF I WERE A MINIBEAST

Words and Music by Mark and Helen Johnson

1. If I were a minibeast,
I wonder what I'd choose to be?
A spider in a web?
Or a cricket in a hedge?
Maybe, ... let me see.
2. If I were a minibeast,
I wonder what I'd choose to be?
A ladybird with spots?
Or a centipede with lots of legs?

CHORUS *Would I like to jump?
Would I like to swim?
Would I rather crawl, or fly with wings?
These are just a few of the many things
To choose between.*

*Would I like to live under rocks or stones?
In the sky above, or the earth below?
Would it suit me best to live underneath the
ground?*

Repeat song

Get the children to use their imagination and create some new and crazy minibeasts, perhaps ladybirds with stripes or spiders with fins. They could draw these or even build them to create a whole army of wacky minibeasts.
